

MR. SPOOK'S FAMILY GATHERING

Objective:

- Toss the mini pumpkins to the various targets on the pumpkin face (Mr. Spook's).

Materials:

- Bucket
- Duct tape
- Mini-pumpkins
- Giant pumpkin laminate that can lay on the floor – the pumpkin should have a face so the mini-pumpkins can land on parts of the face.

Instructions:

1. Player receives 4 mini-pumpkins and stands at the marked line. You can make a variety of lines on the floor with orange duct tape or masking tape.
2. Player tosses mini pumpkins onto a big pumpkin face on the floor.
3. Goal – to get all 4 mini pumpkins on each piece of the pumpkin face (eyes, eyebrows, mouth, nose).

ALLERGY-FRIENDLY WITCH

Objective: This is a variation of “pin the tail on the donkey”. The players place the following pieces on the witch:

- Bull’s eye (or picture of an EpiPen®) – “where does your auto-injector (EpiPen®) go if there is an emergency?”
- Carrying cases – “where do you wear your carrying case?”
- MedicAlert – “where do you wear your ID bracelet?”

Materials:

- Bull’s eye picture (or picture of an EpiPen®)
- Epinephrine auto-injector carrying case picture
- MedicAlert bracelet picture
- Large poster of a witch, ideally laminated
- Blind fold
- Duct tape
- Masking tape – tape pictures onto witch

Instructions:

1. Blind fold the player.
2. Give players the 3 pictures to place on the witch – carrying case, bull’s eye and bracelet.
3. Spin the player once and have them place the 3 pieces.
4. Mark their name on the poster to indicate where they placed the pieces and then pass along the pictures to the next player to place on the witch.

FIND ME BONES

Objective:

- Player to find the pirate's missing bone in the treasure chest.

Materials checklist:

- Treasure chest
- Gold coins
- Timer
- Treasures (toys)
- Big plastic bone
- Variety of smaller different bone sizes
- Pirate eye patch and bandana – for a person to dress-up like a pirate

Instructions:

1. Blind fold the player.
2. Hide the big plastic bone in the chest.
3. Start timer – player has 20 seconds to find the pirate's missing bone.
4. The player shows the dressed-up pirate the various objectives they pull. The pirate will tell the player if they have the correct bone.
